

PCV/PSV Engineer

Join a team that invests in you and develop your career with us.

Our engineering department is undergoing an exciting period of change and development including the ongoing electrification of our fleet. To ensure our engineering capabilities are fit for the challenges of the future, we are looking for highly motivated PCV/PSV engineers to join our team.

As a talented PCV/PSV engineer, your main responsibility will be to provide a full range of repair, maintenance and servicing activities for our extensive fleet of vehicles. These activities will be conducted in strict adherence of our company and legislative standards and requirements.

We have a range of vacancies within our garages and these positions operate across a variety of working patterns, mainly on a flexible shift basis and could include unsociable hours.

What are we looking for:

- NVQ Level 3
- You must have previous experience working on PSV or heavy vehicles
- Your verbal and written communication skills are just as important to us as your technical skills
- Proficient IT skills are essential
- Confidence in utilising a number of databases or manufacturer diagnostic systems

You will build relationships with the garage's drivers and service controllers to help ensure a smooth-running service 24/7. Demonstration of your ability to work to high standards using your own initiative and as part of a team will be what makes you stand out. You will also be recognised for your ability to work under pressure and to tight deadlines without compromising on the quality of the work carried out.

What we can offer you:

- Free staff travel pass for yourself and a nominated person (subject to qualifying conditions) for travel throughout the TfL network in London
- Company pension scheme | Gym membership discounts (some locations only)
- Job Security | Career Progression
- Free uniform | Paid holidays
- Free Training to obtain PCV licence

We truly value our people and the contributions they make to our business and the communities in which we serve. We have 10 garages across London, over 4,000 staff operating over 1,000 buses and we're looking for people who really put our customers at the heart of everything they do.

Get the rewards you deserve and join our team today.

If you'd like further information on this opportunity, please contact our recruitment team on 0800 694 0112.
