

Driver Training Supervisor

Park Royal Garage

A vacancy has arisen for a Driver Training Supervisor at Park Royal garage. This is an exciting opportunity for an articulate, confident individual who will play an integral part of the team.

Responsibilities:

- To develop training materials for use by GDT's and other garage driver trainers.
- You shall be reporting to the Traffic Manager on a daily basis.
- To develop the training course for newly appointed GDT's.
- To develop training resources, as required, to improve the quality of training for new and existing drivers.
- To support, coach and mentor GDT's and DTS's to improve delivery and driving standards.
- To audit and where required provide remedial training to GDT's and DTS's where development needs are identified.
- To promote and champion the company wide standardised approach to improving driving standards.
- To review the training materials and update as required.
- To assist with the recruitment processes for new GDTs.
- To coordinate the mobilisation and utilisation of GDT's from garages to meet the business need when the initiation of new routes requires.
- To develop strong working relationships with all driving standards personnel, including GRMs, DTS, GDTs and Dis. To provide a single point of contact for garage driving standards support.
- To work with the Driver Training and Standards Manager to develop the scope and effectiveness of the GDT/DTS working groups.
- Any other reasonable duties as delegated by the Driver Training and Standards Manager.

Skills & Experience Required:

- Hold and maintain a valid PCV licence with no points & valid DQC.
- Excellent attendance.
- Excellent performance record (assess via conduct record, uniform & personal presentation, and customer, colleague and managerial commendations, recognition or awards)
- Personal qualities and attributes which demonstrate that the successful candidate would be a good role model.
- Encourages and support others and develops effective working relationships.
- Committed to deliver to a high standard.
- Committed to improve driving standards within the company.

To apply you will need to send a CV and covering letter explaining how you meet the requirements of the role. For more information and to apply, please contact a member of the Recruitment Department on the following email address recruitment@ratpdev.com.
