

Working Charge Hand

Tolworth Garage

Our engineering function is undergoing an exciting period of change and development. In order to ensure that the engineering department is fit for the challenges of the future, we are looking for highly motivated and enthusiastic individuals with proven experience in maintaining complex highly technological transport systems. Our aim is to provide a service to our internal and external customers that we are proud of.

This is an exciting time to join our Tolworth Garage and play a key part in helping us develop the business that will set the standards that others will follow. As Working Charge Hand, you will be a key member of the garage management team.

You will be responsible for ensuring the provision of sufficient vehicles to the necessary standards in regard to reliability, presentation and operational requirements for the business. In addition, you will support the Engineering Manager with supervising, motivating, coaching and empowering staff to ensure best practice within the garage.

Skills and Experience Required:

- Proficient IT skills and the ability to use or quickly learn how to use any databases or manufacturer diagnostics systems.
- Ability to work successfully using your own initiative and as part of a team.
- Ability to work under pressure and to tight deadlines without compromising the quality of the work carried out.
- NVQ Level 3 (or equivalent) in a relevant subject such as heavy vehicle engineering is essential combined with health and safety knowledge.
- Excellent verbal and written communication skills.
- Hold a driver's/PCV licence.
- Experience of working as a mechanical or electrical engineer in the bus industry will give you an added advantage.

What we offer:

- Competitive salary
- Free staff travel pass for yourself and a nominated person (subject to qualifying conditions) for travel throughout the TfL network in London (savings of up to £6,000)
- Subsidised gym membership
- Wholesale benefits
- Cycle to work scheme
- Eye care voucher
- Company Pension

To apply you will need to send a CV and covering letter explaining how you meet the requirements of the role. For more information and to apply, please contact a member of the Recruitment Department on the following email address recruitment@ratpdev.com.
